

## *EUROGIA2020 elected its new chairman*

Brussels –October 10, 2014 : EUROGIA2020 Board elected its new chairman during the last board meeting held in Brussels on October 10, 2014.

EUROGIA2020 Board has named Dr. Carlos Haertel from General Electric as Chairman, giving a new boost to EUROGIA2020, the EUREKA Cluster for low carbon energy technologies before the year-end.

Dr. Haertel is currently the director of GE Global Research Europe and will assist EUROGIA2020 in its wide range activities. He took over the role from Mr Pierre Besse, Vice President of Innovation and Strategic Alliances at Bureau Veritas, who served as interim chairman since February 2014.

More about EUROGIA2020:

EUROGIA2020 is the EUREKA Cluster programme supporting the development of innovative low carbon energy technology projects. EUROGIA2020 addresses all areas of the energy mix, from renewable energy to efficiency, and reduction of carbon footprint of fossil fuels.
